

CALL FOR PROPOSALS

2021 For Our Future Conference

The fourth annual Universities of Louisiana For Our Future Conference will be held virtually on March 18-19, 2021. While it will look different this year, we are working hard to ensure the programming will continue to provide quality professional development and create engaging dialogue opportunities. In order to do this, we will need you, our talented faculty and staff, to share your expertise with System peers.

This year's conference will work to collaborate and strategize within the following three tracks: (1) **Post-Pandemic Campus**; (2) **Cultural Competency**; and (3) **Core Mission**. Please consider submitting a proposal for a session that falls within one of these tracks or another pressing higher education topic.

Submission Deadline is **Monday, January 18**. Click [HERE](#) to see more details and to submit a proposal.
