Coordinator, Academic Enhancement Program / 1996-1991

National Collegiate Athletic Association

Designed and coordinated first academic enhancement program for student-athletes at Grambling State University. In all of the sports worked closely with the coaches assessing the educational strengths and weaknesses of their players. Each student’s academic and athletic eligibility was monitored closely on a year round basis. Served as a campus, local, and regional resource to each student athletic referring them to the appropriate resources contingent upon their need.
