

GRAMBLING 1000 (G1K)

G1K Dollars for Scholars is a legion of supporters of Grambling State University who give \$1,000 annually to help make GSU an attractive destination for high school seniors through scholarships. Imagine the impact we could make if 100 supporters (individually or collectively) gave \$1,000 via the G1K Campaign. That would equal \$100,000 for student scholarships.

Individual gifts of \$1000 result in automatic membership into the "President's Club" Gift Giving Society.
