

"The inaugural Rick Duckett Basketball School will provide players with an exciting opportunity to learn the game of basketball from an excellent staff of coaches. Our goal is to provide the tools necessary to enhance one's level of play through a series of teaching stations and game play. The school will surely be a fun and thrilling week of basketball that is a must for those who want to enjoy and excel in the game of basketball."

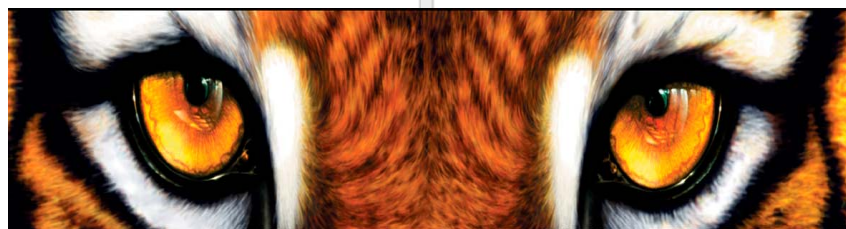

Rick Duckett, Head Coach, Grambling State Basketball
