## Is Non-Saturday testing available?

Non-Saturday testing is available **only** for students who cannot test on a Saturday because of religious convictions. If there is a non-Saturday test center within 75 miles of your home for **any** test date, register for that date and request that center.

If you qualify, and if there is not a non-Saturday test center within 75 miles of your home (U.S. or Canada only), or no non-Saturday test centers in your country (in other locations) scheduled on **any** test date, do **not** register online. Instead, check the requirements for [Arranged Testing](#) (4 pages, 57KB).

- When you search for a test center on this website, both Saturday and non-Saturday test centers will appear in your search results. Non-Saturday test dates are underlined with a link to information about eligibility for non-Saturday testing.
- When you search for a test center within the online registration system, you must select "Show non-Saturday test centers" in order to see a listing of both Saturday and non-Saturday test centers.
- In select cases, June 19, 2016 will be made available as an alternate non-Saturday test date.
