The GSU Tradition Continues!

Grambling State University has a long history of being a community leader in giving. Thanks to the generous support of faculty, staff and students, a hungry senior received a warm meal, a child received a much needed mentor, and a family member is getting assistance to make it through a crisis.

These and many other moments are only possible due to caring individuals throughout the community who participate in the annual United Way Campaign each fall.

At Grambling State University, this campaign effort offers several ways to give:

1. **Payroll Deduction Card.** Payroll deductions are for the purpose of breaking the donation into payments over an extended period of time. Payroll deductions for United Way campaign contributions will begin January 2015 and will be taken out monthly up through December, or as specified.

2. **One-time donation.** If you would like to make a lump-sum donation, please write a personal check made out to United Way of Northeast Louisiana and submit it with your pledge card. Cash should be taken to the Cashier’s window in Long–Jones Hall, along with your pledge card.

3. Those wishing to pay quarterly may check that option on the pledge card. Reminders for quarterly donations will come to you directly from United Way.

Another option is to volunteer. Several of the Community Partners have a need for volunteers throughout the year. For more information on how you can volunteer, contact the United Way of Northeast Louisiana office at 318–232–0055.
