

GSU POLICE DEPARTMENT

2015 Semesters Crime Prevention Notice

Crime prevention is defined as being aware of your environment and remaining alert to situations that could possibly make you vulnerable to crime. We cannot list specific measures that will protect you from every threatening situation, which may arise. However, we hope to provide you with information to think “crime prevention” on your day-to-day living.

Throughout the year, the GSU Police Department offers a number of crime prevention programs and presentations to students, both on and off campus.

The GSU Police Department is committed to meeting the needs of the students and local community by presenting these programs as requested.

To schedule a crime prevention program please contact the GSU Police Department, Cpl. Patricia Cato @ 274-2222 or 274-6541.
