The Curriculum Resource and STEM Academic Success Center is located in Room 107 of Carver Hall.

In the Center, you will find not only a collection of educational reference materials and curriculum aids, but also special assistance in the use of the services to meet the needs of students and faculty.

Professors may place materials on reserve in the Curriculum Resource Center for access by students.

**CURRICULUM RESOURCES**

Curriculum Resources are available to facilitate instruction in the sciences, mathematics and engineering technology areas. The CRC supplements and reinforces classroom instruction by providing learning aid materials.

**STEM ACADEMIC SUCCESS**

The academic success of students at Grambling State University is a high priority. Services are provided that will:

- Improve Study Skills
- Increase the number of students that earn a grade of “C” or better in science and math courses
- Improve the retention rate of students
- Enhance performance on the Graduate Record Examination

**SERVICES PROVIDED**

- Biology, Chemistry, Mathematics and Physics self paced tutorial/study materials
- Study Skills Workshops
- Math Tutorial Services
- Assessment of Study Skills using E-LASSI
- Reference Books
- SMART Cart (available for check-out by faculty)
- GRE Preparation Software

The Reading Room of the Department of Mass Communication has about 200 books that include textbooks in mass communication, reference books, mass media yearbooks and others. In addition, the department subscribes for a number of daily newspapers, professional and academic journals.
The Graduate Nursing Program Reading Room is filled with numerous advanced practice holdings including a large number of scholarly nursing journals such as Image, Advance for Nurse Practitioners, Journal of the American Academy of Nurse Practitioners, Journal of Nursing Scholarships, among others. Also included in the journal collections are many refereed medical journals related to primary health care topics. Additionally a large number of nursing research and nursing theory texts are available for student review. Samples of previous graduate student scholarly papers are available on the shelves for student review as well.
School of Social Work Resource Room maintains the following books, journals and videos listed below.

- Encyclopedia of Social Work
- Social Work Almanac
- Social Work Dictionary
- Books on Clinical Practice
- Books on Statistics
- Books on Social Work and Groups
- Books on Research
- Books on Marriage and Family
- Books on Gerontology
- Books on Ethnicity
- Books on Poverty
- Books on Human Behavior
- Books on Child Welfare
- Books on General Social Work
- Journals on Social Work Education
- Video Tapes (on the information listed above)
