

# Meal Plan Options

If you want to upgrade your resident plan (on-campus students) or purchase a commuter meal plan (off-campus students) during the specified period at the beginning of each fall and spring term, log in BannerWeb. Once in BannerWeb, go to the “Register Online” menu and click “Optional: Upgrade your residential meal plan to gold or platinum, or purchase a commuter plan.” Next, follow the instructions to purchase a commuter plan.

***Please ensure you are confident about your selection because once a commuter meal plan is purchased, it cannot be changed.***
