STUDENT ACCIDENT INSURANCE PLAN

Grambling State University is pleased to provide a student accident insurance plan for the 2015-2016 school year.

All full-time, registered students are automatically covered for Basic Accident Benefits and Accidental Death Benefits, as described in this brochure. The annual cost of these benefits is mandatory and included in the tuition billing statement.

The plan provides coverage whether or not college is in session, 24 hours a day, seven days a week. The effective dates of coverage for all enrolled students is August 10, 2015 to August 9, 2016. Coverage excludes Intercollegiate Sports.

DEFINITIONS

The male pronoun includes the female whenever used.

For the purposes of this Policy, the capitalized terms used herein are defined as follows:

Accident means a sudden, unexpected event that result in Injury to the Covered Person.

Benefit Period means the period of time, as stated on the Schedule of Benefits, between the date of the Accident causing the Injury for which benefits are payable and the date after which no further benefits will be paid.

Covered Accident means an Accident that occurs while coverage is in force for a Covered Person and results in a Covered Loss for which benefits are payable.

Covered Loss and Covered Losses means an accidental death, dismemberment or other Injury covered under this Policy and indicated on the Schedule of Covered Losses.

Covered Person means an eligible person who is within the covered class(es) listed in the Policy, who is a U.S citizen residing in the United States, or if not a U.S. citizen, resides permanently in the United States, and for whom the required premium is paid when due.

Deductible means the dollar amount of Covered Expenses that must be incurred by the Covered Person as an out-of-pocket expense for each Accident, before Accident Medical Expense Benefits and/or other Additional Benefits paid on an expense incurred basis are payable under this Policy.

Injury means bodily Injury caused by the direct result of an Accident occurring while the Policy is in force as to the person whose Injury is the basis of the claim which results, directly and independent of disease or bodily infirmity in a Covered Loss.

Medically Necessary means a treatment, service or supply that is:

1. required to treat an Injury;
2. prescribed or ordered by a Physician or furnished by a Hospital;

3. performed in the least costly setting required by the condition;
4. consistent with the medical and surgical practices prevailing in the area for treatment of the condition at the time rendered.

A service or supply may not be Medically Necessary if a less intensive or more appropriate diagnostic or treatment alternative could have been used. We may, at Our discretion, consider the cost of the alternative to be the Covered Expense.

Usual and Customary Charges means the average amount charged by most providers for treatment, service or supplies in the geographic area where the treatment, service or supply is provided.
