BACK2BASICS ACADEMY

The Office of Career Services is looking for students that are interested in joining an organization that is fun, but yet include ideas of substance. This Club follows the Golden Rule of “do unto others as you would have them do unto you”. So many of us have moved away from the simple values that we were taught. Examples, saying thank you, giving common courtesies, and other kind gestures. This Club will remind us of those values, and will strive to do much more. Members will also assist Career Services with identifying sessions that students have asked them to address. Students will be fully involved with all decisions made.

If you are interested, please send your contact information to Dr. S.J. Fobbs at fobsshe@gram.edu.
