

Undergraduate and Graduate Research and Visual Arts Symposium

Guidelines for Acceptance of Visual Art Work

A statement regarding the concept being explored by the artist should accompany the art work that will be submitted for the competition. Work chosen should meet the following requirements:

- Show evidence of exploration of an idea or concept.
- Be presented in a manner that is exciting, original and creative.
- Demonstrate technical mastery of chosen medium/media and/or creative exploration of materials and media.
- Indicate excellence in application of technical knowledge, compositional devices, and interpretation of subject.

Contact the Visual and Performing Arts Department for assistance with writing abstract narrative for visual art work.
