College of Arts & Sciences

**Mathematics and Computer Science Department**

## FACULTY/STAFF – FALL 2009

|     | NAME                                                                                   | EXT  | EMAIL                                                                                                                                  | OFFICE   |
|-----|----------------------------------------------------------------------------------------|------|----------------------------------------------------------------------------------------------------------------------------------------|----------|
| 1.  | Arun Agarwal, <i>Professor</i>                                                         | 6178 | <a href="mailto:agarwal@gram.edu">agarwal@gram.edu</a>                                                                                 | CH-268   |
| 2.  | Gregory Battle, <i>Associate Professor</i>                                             | 2428 | <a href="mailto:battleg@gram.edu">battleg@gram.edu</a>                                                                                 | CH-271   |
| 3.  | Djamel Bouchaffra, <i>Associate Professor</i>                                          | 6427 | <a href="mailto:dbouchaffra@ieee.org">dbouchaffra@ieee.org</a><br><a href="mailto:bouchaffrad@gram.edu">bouchaffrad@gram.edu</a>       | CH-133   |
| 4.  | Daye, Shirley, <i>Lab Technician</i>                                                   | 2401 | <a href="mailto:dayes@gram.edu">dayes@gram.edu</a>                                                                                     | CH 281-C |
| 5.  | Bassidy Dembele, <i>Assistant Professor</i>                                            | 2455 | <a href="mailto:dembeleb@gram.edu">dembeleb@gram.edu</a>                                                                               | CH 272   |
| 6.  | Sandra Gamble, <i>Associate Professor</i>                                              | 6179 | <a href="mailto:gambles@gram.edu">gambles@gram.edu</a>                                                                                 | CH-267   |
| 7.  | Nelly Gassant, <i>Assistant Professor</i>                                              | 2782 | <a href="mailto:gassantn@gram.edu">gassantn@gram.edu</a>                                                                               | CH-281B  |
| 8.  | Fred Gibson, <i>Assistant Professor</i>                                                | 2494 | <a href="mailto:gibsonf@gram.edu">gibsonf@gram.edu</a>                                                                                 | CH-270   |
| 9.  | Harvey Farley, <i>Jr. Systems Analyst</i>                                              | 3233 | <a href="mailto:hfarley@gram.edu">hfarley@gram.edu</a>                                                                                 | CH-283   |
| 10. | Aderemi Kuku, <i>Professor/William S. Clayton Endowed Professorship in Mathematics</i> | 2423 | <a href="mailto:kukua@gram.edu">kukua@gram.edu</a>                                                                                     | CH-273   |
| 11. | Brenda Miles, <i>Assistant Professor</i>                                               | 2402 | <a href="mailto:milesb@gram.edu">milesb@gram.edu</a>                                                                                   | CH-134   |
| 12. | Yenumula Reddy, <i>Professor</i>                                                       | 2421 | <a href="mailto:ybreddy@gram.edu">ybreddy@gram.edu</a><br><a href="mailto:ybreddy65@yahoo.com">ybreddy65@yahoo.com</a>                 | CH-274   |
| 13. | Carl I. Roberts, <i>Associate Professor</i>                                            | 2131 | <a href="mailto:robertsca@gram.edu">robertsca@gram.edu</a>                                                                             | LR 107-A |
| 14. | Parashu Sharma, <i>Professor</i>                                                       | 6138 | <a href="mailto:Sharmapr@gram.edu">Sharmapr@gram.edu</a>                                                                               | CH-113-C |
| 15. | Frederick Semwogerere, <i>Associate Prof.</i>                                          | 6177 | <a href="mailto:semwogereref@gram.edu">semwogereref@gram.edu</a><br><a href="mailto:fsemwogerere@gmail.com">fsemwogerere@gmail.com</a> | CH-271   |
| 16. | Abdulalim Shabaaz, <i>Endowed Chair for Mathematics</i>                                | 3167 | <a href="mailto:shabazza@gram.edu">shabazza@gram.edu</a><br><a href="mailto:shabazz2757@hotmail.com">shabazz2757@hotmail.com</a>       | CH-106   |
| 17. | Eugene Taylor, <i>Instructor</i>                                                       | 2426 | <a href="mailto:taylore@gram.edu">taylore@gram.edu</a>                                                                                 | CH-113-A |
| 18. | Leummim Yao, <i>Assistant Professor</i>                                                | 3743 | <a href="mailto:yaol@gram.edu">yaol@gram.edu</a>                                                                                       | CH-269   |
