

Grambling State University Choir

The Grambling State University Choir has a rich heritage of presenting the finest quality of choral music since its origin in approximately 1947. The choir's repertoire includes a diverse range of music that spans many generations and cultures, including classical, gospel, and contemporary popular music. The group has performed both nationally and internationally including a tour to the Island of Trinidad, West Indies. Its legacy of excellence is continued today under the direction of Mr. Edryn J. Coleman.
