

The Center for Mathematical Achievement in Science & Technology

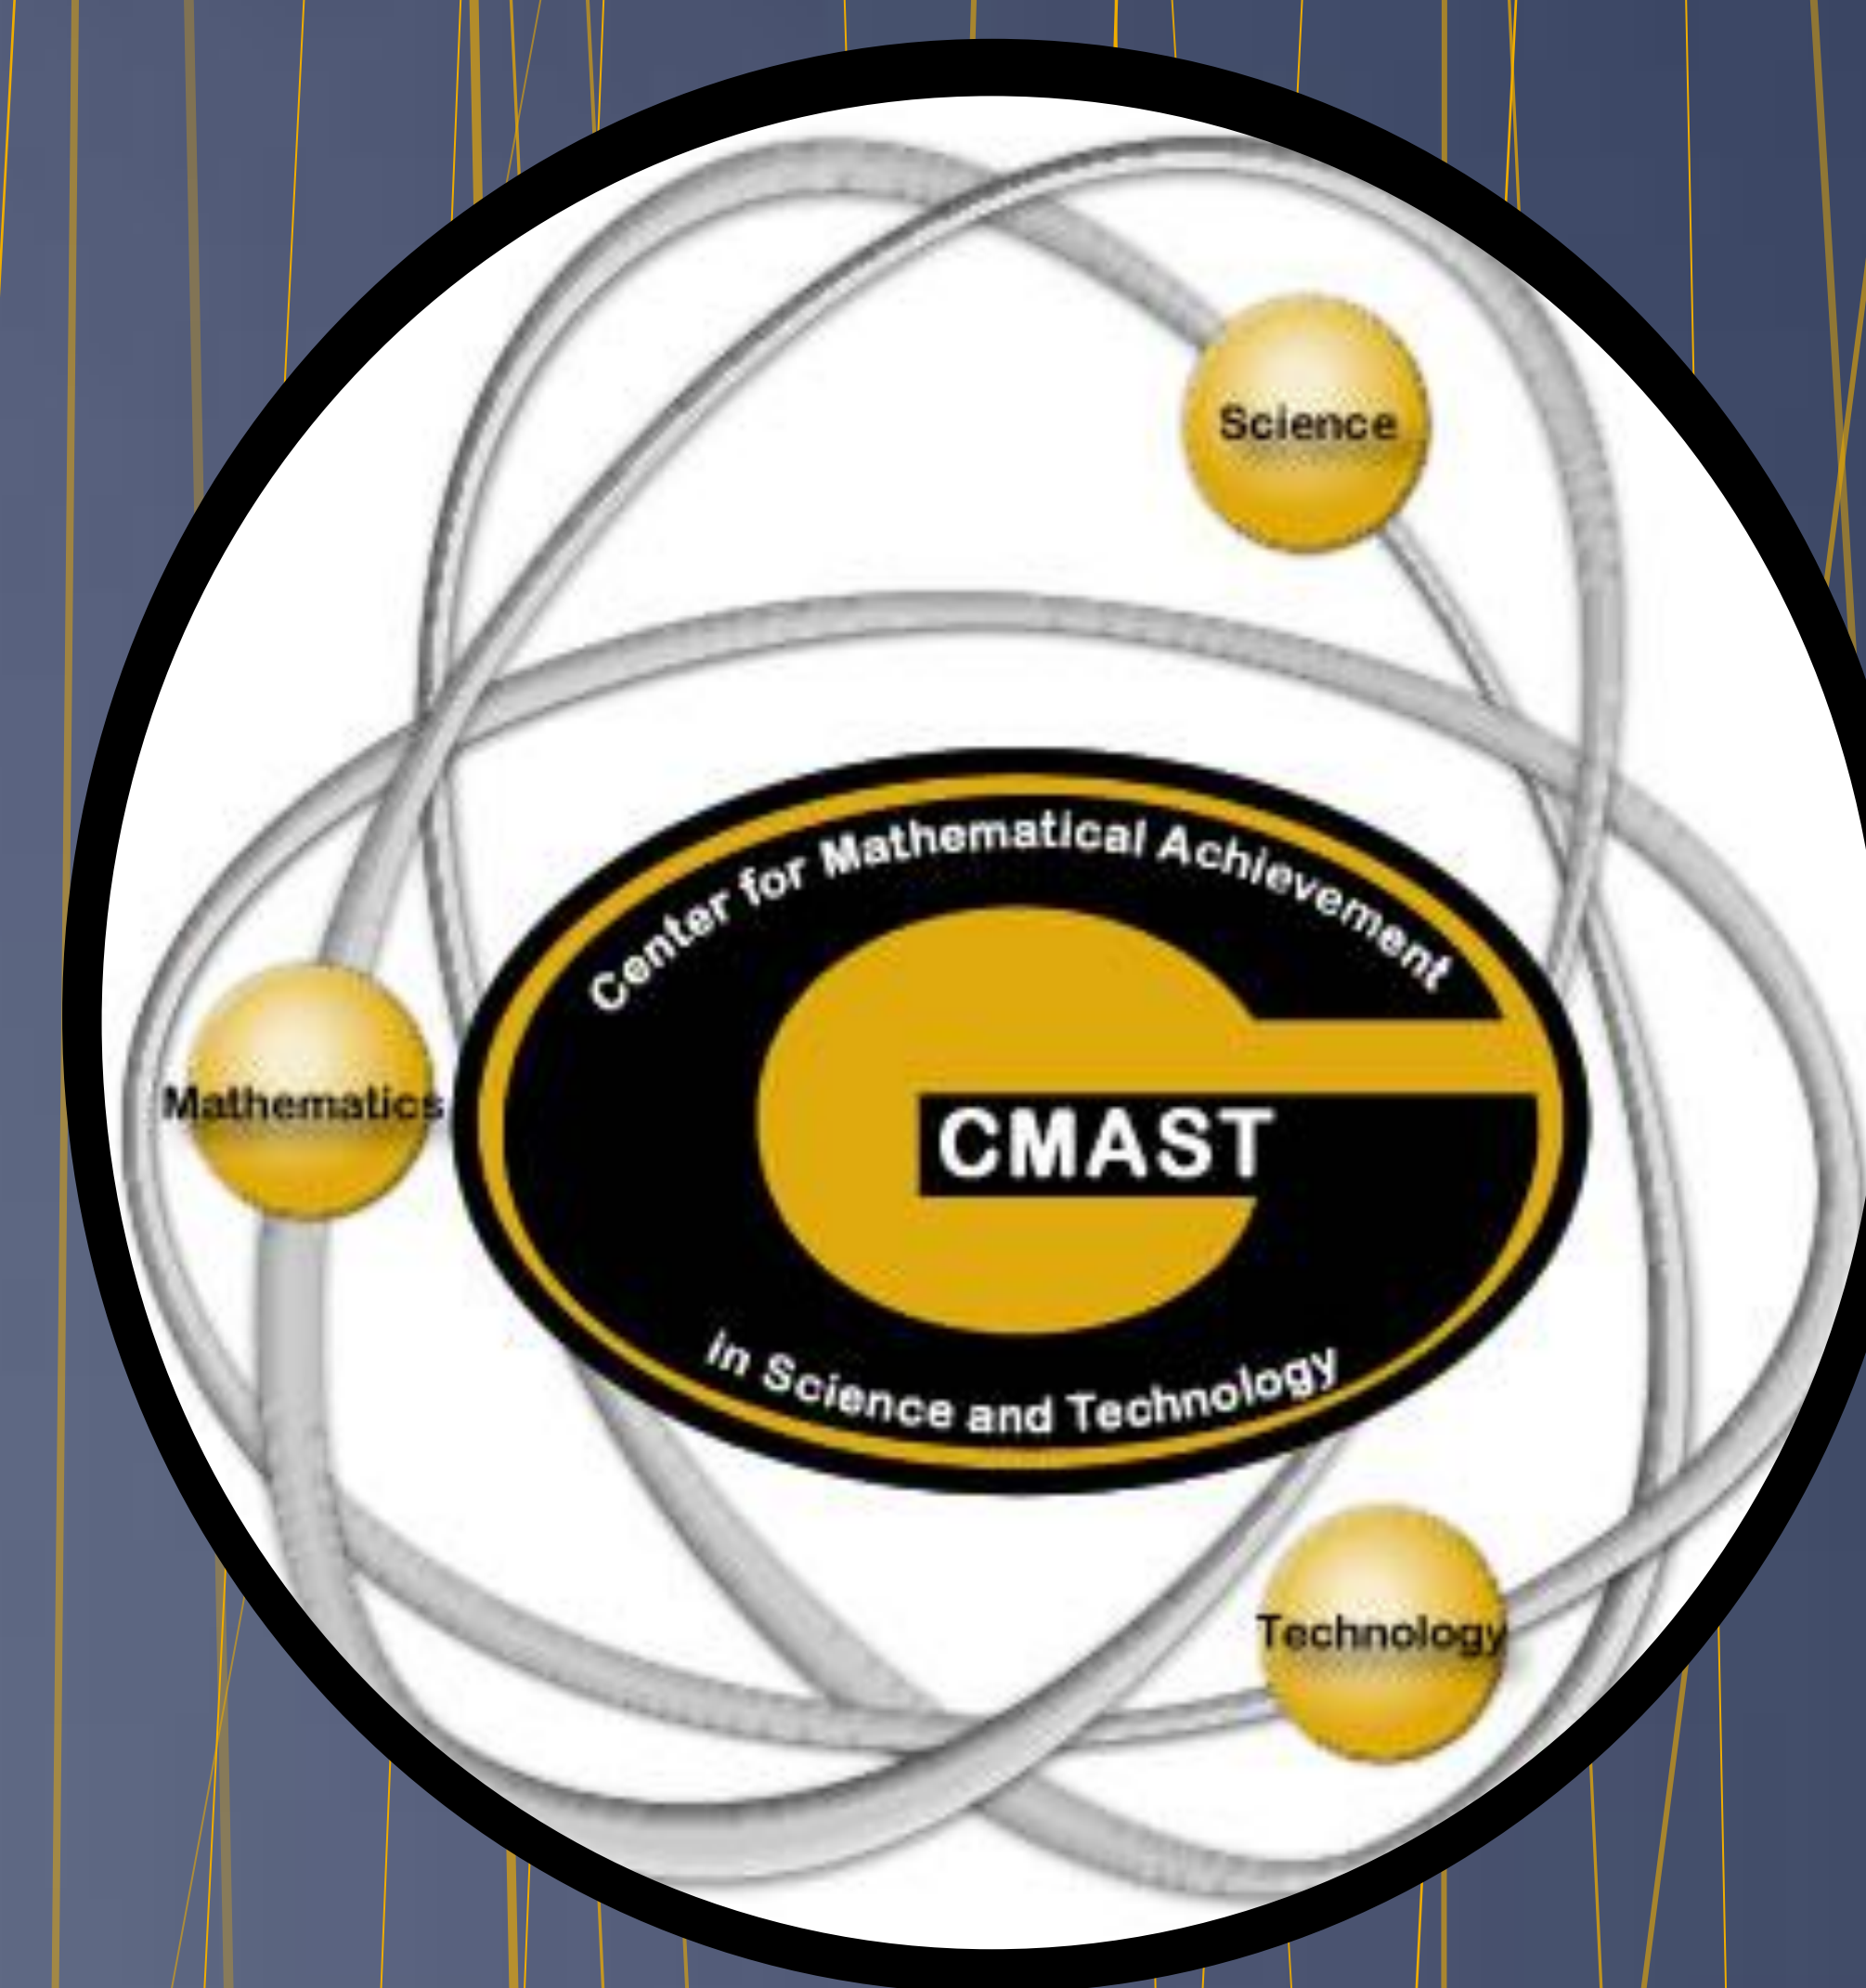

wants you to join the

**STEM Learning
Community**

or

**STEM Teacher Prep
Program**

For freshmen and transfer students only

Must be a STEM major:

- Biology
- Chemistry
- Computer Science
- Engineering Technology
- Mathematics and Physics

- Receive free textbooks, tutorials, mentoring, and professional development skills
- Meet fellow STEM majors
- Participants in Learning Community will be required to enroll in a math course and Dr. Stewart's 11:00 am General Chemistry I course for the Fall 2014 semester.
