

Office of the Provost and Vice President for Academic Affairs

October 26, 2009

The College of Education at Grambling State University is scheduled for a Spring 2010 accreditation review by the National Council for Accreditation of Teacher Education (NCATE). Federal regulations require that accrediting agencies allow for public comment on the qualifications of institutions or programs under consideration for continuing accreditation.

Both NCATE and Grambling State University recognize that graduates, parents, schools, and community organizations have valuable perspectives on the quality of the programs that prepare teachers and other school personnel. We invite interested parties to submit written testimony regarding the College of Education to:

Board of Examiners
NCATE
2010 Massachusetts Avenue NW, Suite 500
Washington, DC 20036-1023

Or by email to callforcomments@ncate.org

Comments must address substantive matters related to the quality of professional education programs offered at Grambling State University, and should specify the respondent's relationship, if any, to the institution (i.e., graduate, present or former faculty member, employer of graduates). Copies of all correspondences received will be sent to Grambling State University for comment prior to the review. No anonymous testimony will be considered.

Letters of comment should be received no later than **December 31, 2009**.

Sincerely,

Robert M. Dixon, Ph.D.
Provost and Vice President
