

Measure 5: Graduation Rates (Advanced level)

The EPP defines program completers as candidates who earn their degree by successfully completing all requirements of their licensure program. Based on that definition, data below demonstrates a 100% completers' graduation rate for the past three academic years.

Program Completers by Licensure Area

Advanced Level			
Program/Licensure Area	2019-20	2018-19	2017-18
Elementary Education & Special Education M/M Grades 1-5		4	7
Secondary Education & Special Education M/M Grades 6-12		1	1
Mathematics		1	1
English			1
# Completers	0	5	8
% Completers		100%	100%
