

Practicum Report Guides

This practicum report must be submitted to the Program Director, practicum supervisor, and major professor at the conclusion of the experience. The report should be a scholarly product which includes the following elements.

1. Practicum site
2. Practicum supervisor
3. Dates of practicum
4. Objectives of practicum experience
5. Self-evaluation of attainment of objectives
6. Competencies acquired/refined during practicum
7. Implications of the practicum experience for personal career goals

PRACTICUM PROPOSAL FORMAT

Course No.: _____

Course Title: _____

Name: _____

Date: _____

Address _____

Phone No.: _____

E-mail: _____

Rationale (Why is it appropriate for you to take practicum?)

Activities/Projects (List what specific projects/products you will present as evidence of attainment of objectives.)

Timeline (Indicate beside each objective or activity the projected completion date.)
