EARL LESTER COLE HONORS COLLEGE

Greetings:

Grambling State University's lineage is rooted in excellence at all levels. Through our Honors Convocation Program, with great pride and respect, we pause to commemorate our honors students, who represent one aspect of that storied lineage.

The University's top scholars have distinguished themselves as members of Graduate Studies honors, the President's List, the Dean's List, the University's Honor Roll, and the most recent inductees of the Earl Lester Cole Honors College. Their success is a testament to hard work and dedication that is driven by purposeful faculty and a foundation that is supported by family, friends, and others.

It is an honor to recognize these learners for yet another historical milestone in their academic preparation. We are proud that our students have set their sights high, striving for excellence on their educational journey.

On behalf of the Honors Convocation Committee, join us as we celebrate our scholars. It is our hope that they will continue to be motivated towards success as they inspire us and others.

Best,

THE ALMA MATER

Old Grambling, dear Grambling,
We love thee, dear old Grambling
We're loyal to thee, our dear old School,
We'll fight for thee for evermore.
And when life's game is fought and won,
The hills will ring with victory's song.
Old Grambling, dear Grambling,
We love thee, dear old Grambling

Old Grambling, dear Grambling,
We love thee, dear old Grambling
Long may thee stand 'til all the land
Has felt the worth of thy great hand.
And when thy sons to battle go,
The hills will ring from shore to shore.
Old Grambling, dear Grambling,
We love thee, dear Old Grambling.

Lyrics by Ralph Waldo Emerson "Prez" Jones

Grambling State University

Honors Day Oath

I believe that education is a privilege.

I believe in my fellow students.

Therefore I treat my fellow students with dignity and respect.

I listen to them. I learn from them.

I engage in collaborative discussions, trusting they will do the same.

I believe new opportunities make me better.

I embrace change.

I remain curious.

I am hopeful.

I believe that giving back does not start after graduation.

I believe it begins now, and should happen every day after.

I believe knowledge can change us.

I believe we can change the world.
