QEP MATH CLINIC

The QEP Mathematics Clinic is available Monday through Thursday, 10:00 a.m. until 4:00 p.m. in Carver Hall, Room 136, until **December 3, 2015**.

Data supports that students, who attend three or more sessions in the Mathematics Clinic, perform at a higher level not only in their Mathematics course, but in other courses, as well. Take advantage of the QEP resources; Mathematics faculty and peer tutors are available to help you.

To find out how the Mathematics Clinic can help you succeed please contact Shakira Hardison in Carver Hall Room 137 or by e-mail at hardisons@gram.edu, because **MATH DOES MATTER!**
