SLAYING MATHEMATICS.......
WHY IT MATTERS

ARE YOU #TEAM QEP? IF NOT LET US TELL YOU WHY YOU SHOULD BE!!!

Grambling State University's Quality Enhancement Plan (QEP) is a long-term assessment plan that will provide an institutional course of action to improve student learning. It is also a requirement for SACSCOC reaffirmation of accreditation. GSU's topic is focused on the improvement of mathematical skills and knowledge among our student population.

Why is this important to you? As a GSU student, general education Mathematics courses are a requirement. The QEP is focused on providing support, methods and application to foster your success in these classes.

What makes the QEP sexy?

🔥 *You do...*

🔥 *Passing Math 147...*

🔥 *Passing Math 148...*

🔥 *Using what you learned in Math 147 in Biology103...*

Submit to hardisons@gram.edu or flemonc@gram.edu why you think the QEP is sexy for a chance to win a prize!

GSU's QEP is *Sexy*

HOW ARE WE DOING?

In Fall 2014, 62% of students enrolled in Math 147 , who participated in the QEP Mathematics Clinic earned the grade of A, B or C. 100% of those enrolled in Math 148, who participated in the clinic earned the grade of A, B or C.

What does this tell us? The QEP Math Clinic is on FLEEK.

QEP MATH CLINIC

Hours of Operation

Mondays-Thursdays

February 2-April 22, 2015

9:30 am-4:00 pm

The clinic is staffed by GSU Mathematics Faculty and peer tutors. Special Tutoring sessions may be scheduled upon request.
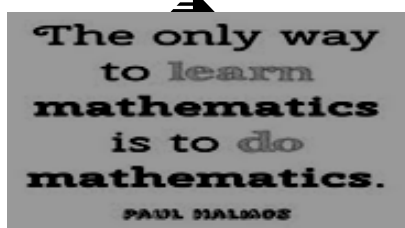

GSU

QEP

Be the first to submit the correct answer to this equation to hardisons@gram.edu and win a prize!

$$4 \times 4 + 4 + (4 \times 4 \div 4 + 40)$$

The only way to learn mathematics is to do mathematics.
PAUL HALMOS

QEP ACTIVITIES...COMING SOON

Monday-2-23-15-Poster Campaign / Carver Hall

Tuesday-2-24-15 Peer Tutor Interest Meeting

⇒ April 12, 2015-Fall 2015 Peer Tutor Application Deadline

Wednesday's-QEP Clinic Participation Drive, Carver 136 (periodically)

OUTSTANDING PEER TUTOR/FALL 2014

Our fall 2014 Peer Tutor of the semester is Jamesia Allen. Allen is currently pursuing a degree in Biology. She was selected Peer Tutor of the semester for a variety of reasons. The one that stands out is her willingness to help students during her down time. Join us in congratulating Jamesia for her outstanding service and commitment to her peers. At GSU... Math Matters.
