

The Academic Skills Center

MISSION STATEMENT

The mission of the Academic Skills Center is to provide a learning environment that allows students the opportunity to develop the skills and knowledge necessary to achieve academic success.

OVERVIEW

The Academic Skills Center works in collaboration with deans, department heads, and faculty from degree granting colleges and schools to fulfill the Center's mission. By partnering with the faculty and responding to student needs, the Center provides a supportive learning community that helps students achieve their academic potential.

SERVICES

COMPUTER LABORATORIES

A total of five computer laboratories are available for student use. Each laboratory serves a specific function and has an on-site student monitor. The location of each laboratory is identified below.
