CAMPUS TRAFFIC HANDBOOK

GRAMBLING STATE UNIVERSITY

Grambling, Louisiana

GSU REVISED TRAFFIC AND PARKING REGULATIONS

Subject to revise on by the Traffic Complex Statements of Policy

The operation of a vehicle on GSU's campus is a privilege granted by the institution. Serious or excessive violations can result in the loss of this privilege as well as disciplinary action.

GSU assumes no responsibility for the care or protection of any vehicle or its contents at any time, including the time it is parked in any campus parking area.

Any parked or unattended vehicle may be removed from the campus and impounded if such vehicle in any way obstructs traffic or creates a hazard to persons or property. The owner and driver of such vehicle will be required to pay all cost involved in removing, impounding, and storing of such vehicles.

These traffic and parking regulations are published and enforced to facilitate the safety and orderly operation of motor vehicles on campus and to provide for a safe environment for pedestrians.

It is believed that a safe and orderly campus can be achieved by keeping vehicle traffic at a minimum during the hours of greatest concentration of pedestrians and vehicles on campus.

If you need assistance on campus, call the University Police at 274-3363, 274-2219, 274-3217 or 274-3218. The university Police Department is located at the corner of Central Avenue and Main Street.
