

DRUG-FREE WORKPLACE ACT OF 1988

Effective Date: June 19, 2009
Responsible Office: Human Resources
Division: Finance

I. PURPOSE/OBJECTIVE

To protect the health and safety of university employees.

II. STATEMENT OF POLICY

Employees are the State of Louisiana’s most valuable resource and their health and safety is a serious concern. The State of Louisiana will not tolerate any substance abuse or use which imperils the health and well-being of its employees or threatens its services to the public. The use of illegal drugs and abuse of alcohol or other controlled substances, on or off duty, is inconsistent with law abiding behavior expected of all citizens. Employees, who use illegal drugs or abuse alcohol or other controlled substances on or off duty, tend to be less productive, less reliable, and prone to greater absenteeism resulting in the potential for increased cost, delay and risk in providing services. Ultimately, they threaten the State’s ability to serve the public.
