FOREWORD AND ACKNOWLEDGEMENT

This is the fifteenth edition of the Grambling State University eFact Book developed by the Office of Institutional Planning, Assessment, and Effectiveness (formerly the Office of Planning and Institutional Research-PAIR). This document provides five-year statistical trend information presented in tables and charts, as well as other information provided for the most current year available. The Office of Institutional Planning collects, compiles, and disseminates information on all facets of the University on a continuous basis. This publication provides a wealth of information about Grambling State University and is designed to give University constituents and external reporting agencies easy access to statistical data pertaining to the institution.

The concerted effort of the Office of Institutional Planning, Assessment, and Effectiveness staff is to make this publication a useful resource for retrieving University information by utilizing an online medium. The staff wishes to thank all of the offices and individual persons on campus who contributed information and suggestions.
