Wesley Foundation serving GSU is about

COMMUNITY—A place to belong, to care about and to grow. In worship, witness, work for justice, and re-creation, we support each other as students, staff, faculty, and friends of Wesley Foundation serving GSU.

SPIRITUAL GROWTH—A place to risk and to share faith in a community of friends. Growth requires freedom to choose, willingness to change!

PERSONAL GROWTH—A safe place to wrestle with concerns and to celebrate the joys of life and loving. Personal, academic, social and moral issues, religious and lifestyle decisions are addressed.
