Grambling State Campus Ministry
Rev. Consuella "Connie" Breaux, Director

Location: A. C. Lewis Memorial Library #236

Welcome to Grambling State University! I am the Rev. Connie the Campus Minister under dual appointment from the United Methodist Church to Grambling State University, and Trinity UMC, in Ruston, Louisiana. Campus Ministry is an outreach ministry of the Louisiana and National Board of Higher Education in Campus Ministry Arena.

You have made a wise choice to attend GSU and I am confident you will enjoy yourself in your preparation for a productive role in society.

Grambling State Campus Ministry is sponsored by The Wesley Foundation United Methodist Church, a ecumenical and connectional ministry welcoming all denominations and faith traditions to fellowship with them.

GSU Campus Ministry has a very active group of students and offer a variety of activities. We are one of the more active groups on campus. We have a dynamic weekly schedule of events plus special activities like, Theological Discovery, Several Bible Studies, Spiritual formation, College Retreats, tours/ mission outreach for community services, leadership trips and conferences to New Orleans, and other places in Louisiana, plus student forums across the country. Campus Ministry at GSU could be the place where you meet your life long partner for life.

The SWAT Team is an exciting team to be on; we serve, worship and play. Stories are shared and witness of the students' faith journey while in college, and how being apart of campus ministry equipped them for the challenges of school and the larger world. The SWAT Team consists of students from all denominations and faith traditions. Sharing and witnessing how "Grace" entered into their life when it seem nothing or no one was in their corner, in their time of need.

Wesley Foundation is not the only campus ministry organization on campus. A variety of religious clubs such as, Chi Alpha, Love Alive Club, Newman Club, and, Muslim Collegiate fellowship, Fellowship of Christian Athletics plus three Ministry of Music Groups, all under the umbrella of Grambling State Campus Ministry, united. For one purpose. All religious clubs must be registered in order to render services to the collegiate community of GSU.
