ON-CAMPUS RESIDENT REQUIREMENT-EXEMPTION REQUEST

(Please Print or Type) All applications must be submitted to the Director or Housing two weeks prior to the opening of a semester.

All unmarried full-time undergraduate students, regardless of age or whether or not emancipated, are required to live in on-campus residence halls as long as space is available, unless exempted by the institution for good and reasonable cause, such as:

- in any case where it appears that a full-time undergraduate student will otherwise suffer significant hardship or because of sufficient financial, medical, or other good and sound reasons shown;
- in the case of older students as, for example, (a) a returning military veteran; (b) a previously married person where proper officials make a finding of fact that such individual is by virtue of age and experience incompatible with the educational objectives and values sought to be provided by on-campus residence herein outlined; or
- undergraduate students living with parents, grandparents, a married brother or sister, or in an institutionally-recognized sorority or fraternity housing.

Any student who has applied for and been denied an exemption to the on-campus resident requirement shall have the right to appeal such decision in accordance with the requirements of Section VI herein.

The order of priority in the granting of permission to live off campus shall be as follows:

1. first, seniors;
2. second, juniors;
3. third, sophomore; and
4. fourth, freshmen.

Subject to the foregoing, the following additional rules or priority shall be applied:

1. first shall be the students who have resided in off-campus housing for the longest period of time since attending the institution; and
2. second, in accordance with the order of date of application filed.

Because of the interrelated nature of the use, operation and financing for housing, dining, and student life facilities, each institution is authorized to include dining costs in the cost of on-campus housing. Charges and fees are also authorized to be levied and collected for the availability, use, and benefit of student life facilities, and to pay a portion of the cost of providing combined on-campus residence halls, dining halls, and student life facilities.
